

1 ABSTRACT OF THE DISCLOSURE

2 A woman's purse to be hand or shoulder carried, and which has a front face panel
3 of a record jacket attached to a substrate and a rear surface panel formed of a vinyl record
4 preferably laminated for protection, attached to a substrate. The two side and bottom
5 panels form a generally U-shaped section which is attached to each of the front and rear
6 panels, but not attached to the two top edges of the front and rear panels. A handle(s) can
7 be conventionally attached. The purse may be lined and have accessories attached to the
8 interior thereof.
